Warren Takes Look At Future Home In Florida's No. 1 City

TALLAHASSEE — Gov-elect Fuller Warren started a two-day preview tour of his future working and living quarters Monday as guest of outgoing Gov. Millard Caldwell.

Warren and his sister, Miss Alma Warren, were guests at breakfast in the executive mansion. Gov. and Mrs. Caldwell showed them around the big house, pointing out furnishings of historical interest and generally talking over deficiencies and facilities of the mansion.

Later, Warren went to the capitol to visit the executive office and all cabinet officers.

He will attend the state cabinet meeting Thursday and visit the Supreme court.

Gov. Caldwell's offer of co-operation to his successor extended into two of the major administrative offices.

Chairman Elgin Bayless of the state road department invited Alfred McKethan of Brooksville, who probably will succeed him, to a reception for road department employees Monday night.

Gov. Caldwell offered to name Arch Livingston, whom Warren has designated as his motor vehicle commissioner, to a position as assistant to Commissioner John K. Gore for the remaining six weeks of his term.

The annual automobile license tag sales, starting next week, is the biggest single job of the motor vehicle commissioner and Caldwell told Warren "there's a terrific pressure over there right now."

He suggested the new commissioner, whose term will begin only 11 days before the license buying deadline, "just must know what's going on."

At breakfast with the Caldwells and Warrens were Mr. and Mrs. B. K. Roberts of Tallahassee, and Frank Wright, who was Warren's campaign manager.

Workmen will start this week on a \$9,000 job of painting the exterior and repairing sagging timbers and rotted wood in the 40-year-old mansion. The job will be finished before Warren is inaugurated.

South Bay Holds Election December 7

SOUTH BAY—A town election will be conducted at the South Bay Town Hall Dec. 7 to name a mayor and three councilmen.

The terms of Mayor W. M. Jeffries and Councilmen J. C. Warren, S. J. Fisher and O'Neal Walker are expiring. Candidates names must be filed on or before Saturday to be placed on the ballot. Registration books will remain open also until that date.

Those who have filed to date are Jeffries to succeed himself as mayor, I. P. "Bob" Roberts, W. C. Allen, Fisher and Warren as candidates for councilmen.

W. M. DuBose was the guest of Mr. and Mrs. Pettus Lee in Orlando Monday and Tuesday.

Paper Printed Early This Week

In order that folks associated with The Everglades News might enjoy a day off and all the trimmings at Thanksgiving time, the paper is printed early this week—Wednesday afternoon in fact. Therefore, you need not look for Belle Glade-Pahokee foot ball results. We are presuming that those interested in the annual game were on hand to see it. Other news items have been condensed and some left out in order that the paper could be printed early.

'House Of Magic' To Visit Canal Point & Pahokee Schools

The famous "House of Magic" Show will play for the people of Pahokee and Canal Point and surrounding areas at the High School auditoriums of both schools. On November 29, at 8:00 p. m. the show will be given at the Canal Point School auditorium, and on the following night, November 30, it will be given at 8:00 p. m. at the Pahokee High School auditorium. This Show was secured through the efforts of Principals Wilma Lence and Clyde Canipe and the cooperation of the Florida Power & Light Company. Admission is absolutely free and the public is cordially invited to attend one of the other of these marvelous shows.

Because of the show's educational aspects, a special performance for school children will be held at 2:00 p. m., November 29, 1948, Canal Point School and 2:00 p. m., November 30, 1948, Pahokee High School.

With a reputation for thrilling audiences with its almost unbelievable acts, the House of Magic will demonstrate music that travels on a beam of light, a lamp illuminated by electricity flowing through the body, a "kidnap detector" and dozens of other mystifying acts.

"Since playing to audiences totalling over 3,000,000 persons at the World's Fairs, the House of Magic show, produced by General Electric Company, has been greatly expanded and has enjoyed further popularity." Principals Wilma Lence and Clyde Canipe declared. "Its performance heretofore have been confined to larger cities of the U. S. and Mr. deMoya, Manager of the power company, and we have been negotiating for some time to secure the show for Pahokee and Canal Point. Because of the show's educational benefits, we offered the use of the school auditoriums and we are pleased to announce now that we have the show scheduled here.

"Our invitation is extended to everyone to attend the evening performances and we expect record crowds."

W. A. Glueing, director of the House of Magic Show, is a scientist who is willing to explain the various procedures to both school audiences and the general public. Principals Wilma Lence and Clyde Canipe.

(continued on page 8)

Slow But Sure!

The City of Pahokee has never been a "flash-in-the-pan" sort of a place. Business men in the thriving city have never been of the "blow-hard" type. "Conservative" is the word to describe the town and the majority of its sound and successful business men. Through the years Pahokee has made slow but steady strides in the progress of the Lake Okeechobee Region. Today, in a quiet rather than a flamboyant manner, the voice of progress is asserting itself in more ways than one. New construction is under way and more is planned for the future. Here are a few of the construction items in Pahokee:

New City Hospital	\$160,000.00
New Bacom Point Road	175,000.00
New County Airport	150,000.00
Bank of Pahokee (Estimated)	60,000.00
R. J. Simonson (Res.)	10,000.00
V. L. Geiger (Res.)	3,000.00
Mrs. Chas Moran (Cafe)	2,000.00
Ray Raulerson (Garage)	2,000.00
Bill Culberson, (Res.)	5,000.00
Wiley Tillis (Bus. Bld.)	4,000.00
Chas. Baker (Apt.)	4,000.00
	\$575,000.00

All of the above projects are either under way or in the planning process at the present.

Funeral Planned For Luther Knight

Luther Leonidas Knight, 76, died in a West Palm Beach hospital at 8:45 Tuesday night following three months illness and two days hospitalization. He had seemed better a few minutes before the end came.

Funeral services will be held Saturday afternoon at 2 o'clock at the Landmark Baptist Church in Canal Point with Elder Ernest Altman, former pastor of the church, officiating. Burial will be made at Forty Mayaca cemetery.

Mr. Knight was one of the Lake Region's prominent and well known citizens. He came to Canal Point in 1927 from West Palm Beach and operated a mercantile business for several years. Before coming to Florida he had lived in his native state of Georgia.

In 1934 he became president of Knight and Company, one of the Lake Region's largest growers of celery, at one time operating celery farms at Pahokee, Belle Glade, South Bay and Zellwood. He was a member of the Landmark Baptist church at Canal Point.

Mr. Knight is survived by a wife, Mrs. Olga Knight; two daughters, Mrs. Frank O'Connell and Mrs. Ray Hawk of Canal Point; two sons, T. W. Knight of Pahokee and L. W. Knight of Belle Glade; one sister, Mrs. Aleck Baldwin of Naylor, Ga.

Rev. Henry Corley has been called from Sanford to serve as pastor of the Church of God in Pahokee. He and his wife and teenage son will occupy the Church of God parsonage on Barfield Highway recently vacated by Rev. and Mrs. J. M. Gresham and family who have moved to Sanford.

Rev. Corley has done extensive evangelistic work for the Church of God throughout the State.

Rardin Is Chairman Of Recreation Group

At a recent meeting of the Canal Point Recreation Committee Paul Rardin was unanimously elected as chairman. Other members of the committee are: Cauley Wetherington, D. L. Hooks, W. P. Pope, Mrs. Frank Wilson, Mrs. A. Q. Howell, T. W. Griffin.

The playground committee has temporary plans for building a recreational center just north of the Canal Point school. School Board Member Carmen Salvatore and other members of the board have given the go ahead signal as far as use of the land is concerned. Rardin, as chairman of the committee, will offer plans to the group within the next few weeks.

Perfect Record Of Juniors Is Smashed

The Pahokee Junior High football team's perfect record of no defeats was smeared by a 26 to 0 trouncing handed by the Belle Glade Junior Rams at Belle Glade Monday night in the final contest of the season.

This was a return game and the Belle Glade lads went all out to avenge the 6 to 0 defeat imposed on them by the Imps earlier in the season. Bobby Schroder, the Imps' ace scabcat, wasn't able to hang on to Carney Wilder's passes Monday night and was kept pretty well bottled up by the baby Rams throughout the game.

Mr. and Mrs. Leonard Dobrow have as a guest this week his mother, Mrs. Lena Dobrow, of Miami Beach.

Mr. and Mrs. Perry Duke and Mr. and Mrs. Dan Padgett spent the weekend fishing along the Florida Keys.

Airport Contract Awarded To Miami Construction Firm

Job of constructing an improved Palm Beach county airport, serving the Everglades area, near Pahokee was awarded Williams' & Stockton of Miami Monday.

The county commission acted when advised by the Civil Aeronautics Administration that the Miami firm was low bidder, with its \$55,912 proposal.

On recommendation of Col. L. B. Hickman, county aviation director, the commission approved these changes in policy of operating Palm Beach International airport in West Palm Beach:

1. Permitting operation of approved kinds of flying schools. Previously flying schools there were barred.

2. Allowing planes to be equipped with radio receivers only rather than insisting on two-way radio as has been the case.

3. Charging landing fees for private planes weighing more than 5,000 pounds. Heretofore no landing fees were charged for private planes.

Boring operations as part of field surveys for the over-all South Florida flood program have been started in Dade county, with survey work going on also in Broward and Palm Beach counties.

Col. Willis Teale of the United States engineer's office, at Jacksonville so informed the commission. He acknowledged receipt of Palm Beach county's \$15,000 contribution toward the preliminary work.

The commission tabled, without any decision on its part, discussion of a case in which legality of actions of Raymond Mock, a deputy constable of the Belle Glade district, have been questioned.

Chairman C. Y. Byrd explained Mock had been appointed under a local legislature bill. In a divorce case recently, he said, the constitutionality of the bill was questioned, casting doubt on Mock's right to act in serving legal papers.

But some commissioners indicated the question could be decided in court without board action.

The town of Palm Beach advised it would co-operate in the county's request for aid in getting right-of-way for re-routing Ocean blvd. away from the ocean and along the shore of Lake Worth for some distance between Palm Beach and Lantana.

Charities and health work of various kinds cost Palm Beach county \$348,178 in the year ending Sept. 30, the commission was informed. The money was spent in outlays for care of indigent children, anti-tuberculosis work, operations of the county health unit, operating of the county home hospital and other activities for the indigent and ill.

FRATERNITY PLEDGES

The following men from Pahokee, have been pledged to the Lambda Chi Alpha Fraternity at the University of Florida: Robert T. Boland and John C. Hutton.

GIRL SCOUTS MEET

The Girl Scouts of Canal Point School had their second meeting Friday afternoon at 3:00 in the Canal Point School auditorium. They stood in their regular Horse-Shoe formation and pledged allegiance to the American Flag and also gave the Girl Scout Promise. They studied their motto, slogan, promise, and the Girl Scout Laws. The Girl Scout leader is Mrs. Scoggin, assisted by Mrs. Harrington. The Girl Scouts are functioning very well.

Troupe Scribe.

Christmas Party For Church Circle

Members of the Simonson-Lair Circle, First Methodist WSCS, made plans for their annual Christmas party at a meeting at the home of Mrs. C. A. Major Monday afternoon. Mrs. H. J. Anderson, Mrs. L. W. Armstrong, Mrs. L. J. Fraser and Mrs. William McClenithan will serve as hostesses at the party, the time and place to be announced.

Mrs. L. J. Fraser, circle chairman, presided at the business and presented the devotional program. Mrs. Inman W. Weeks and Mrs. O. B. McClure were named on the hospitality committee.

The first chapter of the group's fall mission study text, "Newness of Life," was given by Mrs. Arca Blakey and the second chapter, by Mrs. M. P. Holman. Mrs. Major was assisted with the serving of refreshments by Mrs. O. D. Carpenter and Mrs. R. J. Schroder, co-hostesses. Mrs. George Schroder, Mrs. C. A. Shive and Mrs. Bordner were visitors.

Sunday School Enjoys Wiener Roast

Members of the Woman's Victory Class, First Methodist Sunday school, enjoyed a wiener roast and party on the church lawn Monday evening, marking the end of a membership and attendance contest. Mrs. Clyde Alley, captain of the losing team, and members of her committee, acted as hostesses. Mrs. R. B. Simonson was captain of the winning team. Approximately 30 members attended.

Williams - DeFuniak

The marriage of Miss Nellwyn Williams, daughter of Mrs. Ora W. Powell of Pahokee, and Capt. Herbert Rivers DeFuniak, son of Mrs. Sara McCracken, West Palm Beach, was announced last week by the bride's mother. The wedding took place at the Broadstreet Presbyterian Church in Columbus, Ohio, Sept. 16.

Mrs. DeFuniak is a graduate of Pahokee High School and a former employee of the Atlantic National Bank, West Palm Beach.

Capt. DeFuniak is a graduate of the University of Florida. He served in the army during the war and after receiving his discharge, returned to West Palm Beach where he was engaged in business until last spring when he re-entered the service. The couple are making their home in Columbus, S. C., where he is now stationed.

CHURCH OF CHRIST, SCIENTIST

"ANCIENT AND MODERN NECROMANCY, ALIAS MESMERISM AND HYPNOTISM, DENOUNCED" is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientist, throughout the world on Sunday, November 28.

The Golden Text is: "When the enemy shall come in like a flood, the Spirit of the Lord shall lift up a standard against him" (Isaiah 59:19).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Oh let the wickedness of the wicked come to an end, but establish the just for the righteous God trieth the hearts and reins" (Psalm 7:9).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Erring power is a material belief, a blind mis-called force, the offspring of will and not of wisdom, of the mortal mind and not of the immortal . . . In Science, you can have no power opposed to God, and the physical senses must give up their false testimony. Your influence for good depends upon the weight you throw into the right scale. The good you do and embody gives you the only power obtainable" (192-11:13, 19-24).

Births

Dr. and Mrs. W. C. Young have named the new girl at their home Josephine Brooker Young in honor of Betty Joe Brooker, Mrs. Ida Brooker and the late Henry Brooker.

Mr. and Mrs. Harlow Clinton Sims of Canal Point announce the birth of a daughter, Linda Sue, at the Everglades Memorial Hospital, Nov. 20.

Mr. and Mrs. E. F. Cushman of Pahokee announce the birth of a daughter, Margaret Jane, at the Everglades Memorial Hospital, Nov. 17.

Mr. and Mrs. J. H. Jones of Pahokee announce the birth of a son, Dale Allen, at the Everglades Memorial Hospital, Nov. 18.

Mr. and Mrs. Howard Holman of Pahokee announce the birth of a son, James Howard, at the Everglades Memorial Hospital, Nov. 18.

Mr. and Mrs. James T. Rudd of Pahokee announce the birth of a son, James T., Jr., at the Everglades Memorial Hospital, Nov. 18.

Mr. and Mrs. Ray C. Williams of Miami announce the birth of a son, Roy Clifton, on Nov. 3. Mrs. Williams is the former Lois Sowder, daughter of Mr. and Mrs. Joe Sowder of Pahokee.

Salvation Army To Distribute Toys

The Salvation Army is making an effort to furnish toys and food baskets for the needy for Christmas. Pick up of toys will be made in Pahokee and Canal Point next Tuesday. They will be taken to West Palm Beach and repaired and made ready for distribution on Dec. 23.

The Salvation Army will make available small, medium and large sunshine baskets for the needy. Members of the Woman's Clubs will be called upon to go to town and help repair the toys and also to help in distribution of the toys and baskets.

Have your old toys ready next Tuesday.

The Palm Beach County Singing Convention will meet Sunday at the Landmark Baptist church in Canal Point with R. W. Singletary in charge. The Public is invited.

Cinematic Chatter

By Malcolm Millar

Bing hits the high notes . . . Joan hits the love notes . . . and you'll hit a happy note in the "king size musical wonder in beautiful technicolor" "The Emperor Waltz", starring Bing Crosby and Joan Joan Fontaine and featuring a huge cast of players, headed by Roland Culver, Lucille Watson, Richard Hayden and Harold Vermyle, and due to be screened at the Prince Theatre this Sunday-Monday.

This is a different and debonair romantic musical that really kicks up its heels in true Swiss fashion

And you'll get a jolt out of Joan pitching woo with Bing, on an island just for two.

There are five musical hits introduced during the showing that deserve comment. They are "The Kiss in Your Eyes," "Friendly Mountains," "I Kiss Your Hand Madame," "Emperor Waltz" and "The Whistler and his Dog." You'll love this musical treat. See you at the movies—Mal.

Mr. and Mrs. Robert Apelgren of Miami, O. B. McClure, Dan Carpenter and Dr. L. W. Armstrong formed a party attending the Miami-Florida game at Gainesville Saturday.

LEFT is RIGHT ON THE HIGHWAY

That's right! When you must walk on the highways in rural or suburban areas, always walk on the left side of the road—*facing traffic*.

There is plenty of reason for this. Last year for every person killed facing traffic three were killed walking with traffic. 24 Floridians lost their lives and 33 were injured walking the wrong way instead of facing oncoming cars. For every daytime fatality there were 4 deaths during the dusk and dark hours. Six more people lost their lives merely standing in the road.

Never assume you are safe when walking on the highways—many times you are hard to see. Then, too, the despicable hit and run driver is still at large—his numbers and his victims increasing. In the first six months of 1946, 78 hit-and-run accidents were recorded in Florida and 16 were killed by these car cowards.

So remember for your own sake—on highways, walk to the left facing traffic—be alert to danger—be alive tomorrow.

Mr. Motorist—

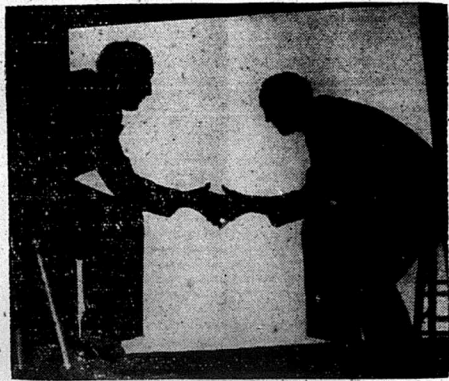

Prepared by the Associated Dailies of Florida, the Florida Press Association, and the National Conservation Bureau, as a public service.

Ever Meet Your Shadow?

How a man may shake hands with his shadow will be among the amazing demonstrations of the "House of Magic" Show brought here through the efforts of School Principals Clyde Canipe and Wilma Lence and cooperation of Mr. deMoya, manager for Florida Power & Light Company. The public is invited to attend the "House of Magic" Show and admission will be free. Performances will be held at Canal Point School Auditorium at 8:00 p. m., November 29, 1948 and Pahokee High School Auditorium at 8:00 p. m., November 30, 1948.

Mission Groups In Regular Meetings

The regular monthly meeting of Canal Point WMS was held at the church Monday night. Plans were made for observing the Lottie Moon Program and for a party to be held Early in December.

Mrs. Atkins brought a very interesting program on the missionary work in Asia and the Islands of the Sea. A study course will be held Tuesday, Nov. 30. Mrs. Nel Kocher will be the Teacher.

Mrs. Wade Ammons was Hostess to members of Annie Jones Circle of Canal Point WMU. Chairman Mrs. Ann Geiger conducted the business meeting. Mrs. Kocher gave the devotional. Mrs. Mercer gave an interesting talk on conditions as seen by our missionaries in foreign countries. Refreshments were served to 17 members.

Mrs. Arnold Scruggs entertained the members of Ione Patterson Circle Monday afternoon. Mrs. J. S. Chastain was in charge of business and Mrs. Weatherington had the program.

Miss Nancy Stevens, Florida State University student, has gone to Hendersonville, N. C., to attend the wedding of her brother, W. A. Stevens, Jr., of Pahokee and Miss Martha Suddeth of Hendersonville which will be held in that city today (Friday). Edgar Wilder of Pahokee will also be present as Mr. Stevens' best man.

MEMORIAL SERVICE

Members of the Pahokee Chapter, Order of Eastern Star, will conduct a special memorial service in the Masonic Hall Sunday, Nov. 28, at 3 p. m., honoring the memory of Mrs. Esther LeFils, past past worthy patron, members of the chapter who passed away recently. Mrs. Mabel Young, associate conductress of the chapter, will be in charge of the service.

Mrs. A. R. Harrington Is New Council Head

Mrs. A. R. Harrington of Canal Point was elected president of the Pahokee-Canal Point Council of Church Women at a recent council meeting at the Pahokee First Methodist Church.

Other new officers elected were: Mrs. Norman Kennedy, vice president; Mrs. J. H. Bordeaux, secretary; and Mrs. M. P. Holman, treasurer. Chairman of standing committees were named as follows: Mrs. R. F. Hurt, world relations; Mrs. Curtis Chase, world day of prayer; Mrs. Jack Phillips, Christian social relations; Mrs. C. L. Shirley, chain of missions; Mrs. B. Elliott, migrant mission work.

Mrs. F. M. Wilson presided in the absence of the retiring president, Mrs. John A. Dulany. A program on "Peace is My Responsibility" was presented by Mrs. J. S. Chastain, retiring chairman of the world relations committee.

Mrs. McIlwain Is Honored At Party

Mrs. E. F. McIlwain entertained at her home on Bacon Point Road recently with open house honoring Mr. McIlwain's mother, Mrs. Betty McIlwain, who was celebrating her 82nd birthday anniversary. Among the many friends who dropped in to pay their respects during the day were Mrs. Mary McArthur, Mrs. Emma Wheeler, Mrs. Julia Chandler, Mrs. J. B. Cruthirds and Mrs. C. H. Tillis. The honoree was presented with lovely bouquets of flowers, gifts and a shower of birthday cards.

Following this event the McIlwain home was the scene of a family reunion, with relatives and friends arriving from far and near. Among these were Mrs. Betty McIlwain's son, Col. S. W. McIlwain, and his daughter, Shirley Katherine, of Toledo, Ohio; her daughter, Mrs. Clarence Schultheis, of High Point, N. C.; Mr. and Mrs. H. F. McIlwain, Mr. and Mrs. Harris Patten and son and Mrs. Lucille Perkins, all of Miami; Mr. and Mrs. Kenneth Murdock and daughter, Mary Catherine, and Mr. and Mrs. Ralph Wood and daughter, Diana, all of Moore Haven.

Mrs. Betty McIlwain accompanied her daughter, Mrs. Schultheis, back to High Point for a visit there.

Courtesy Program Honors Rainbow Girls

The Misses Yvonne Fraser, Delona Jones and Louise Hamilton, past worthy advisors of the Pahokee Assembly of Rainbow Girls, were presented with pins and were honored at a special courtesy program conducted by the Rainbows in the Masonic Hall Monday night.

After the honorees were introduced and escorted to the East the presentation of the pins was made by Nancy Thomas and Jean Friend, acting as fairies. Miss Barbara Wilkinson sang a vocal solo and the Misses Carol Snyder and Anna Lee Hurt, a duet, accompanied at the piano by Miss Rita Fay Hurt. Mrs. Pearl Hamilton, past mother advisor, was presented with a gift.

Miss Sibyl Jensen, worthy advisor, presided at the meeting. Refreshments were served by the Misses Carol Snyder and Ann Lee Hurt, assisted by Mrs. Mabel Young, mother advisor.

Sam Lovell and Billy Stuckey, University of Florida Students, are spending the holidays with their parents in Pahokee.

NOTICE IS HEREBY GIVEN that pursuant to Section 9 of Chapter 19296, Laws of Florida, Acts of 1937, known as the MURPHY ACT, the following described land in Palm Beach County, Florida, will be offered for sale at public outcry for the highest and best cash bid, subject to the right of the Trustees of the Internal Improvement Fund to reject any and all bids, at the Courthouse, beginning at 10:00 O'Clock A. M. on the 29th day of December 1948. As to land outside any municipality easement for road right of way 200 feet wide will be reserved from any parcel through which there is an existing state road. As to all land outside the corporate limits of any municipality as of this date, title to one half of all petroleum, and three fourths of other mineral will be reserved; if lands are within said corporate limits as of this date the reservation applies, but privilege to explore mine and develop will be conducted on and under land only with the consent of the surface owner.

From where I sit... by Joe Marsh

Television on the Farm

Buck Childs' home has become mighty popular ever since he got that television set—one of the few sets in our town, outside of Andy's Garden Tavern.

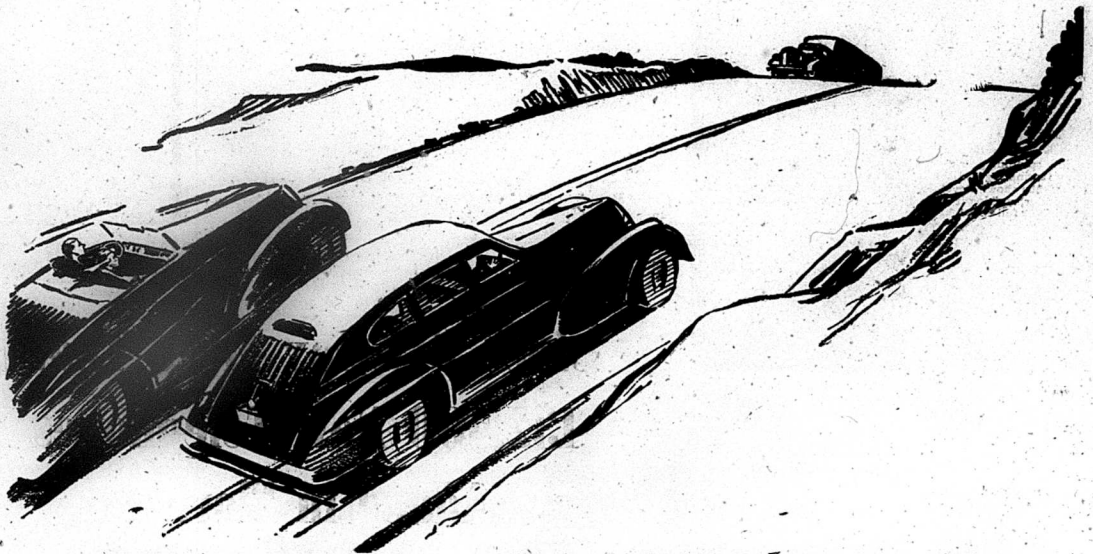

Not only do the kids stay home nights, but the neighbors drop in to see whatever's being telecast. And Buck and the missus always make them welcome, with a mellow glass of beer or ale (with cider and cookies for the youngsters).

While I guess everyone admits that television still has far to go, it's not hard to see that it will some

day be as much a part of American home and farm life as the temperate glass of beer that Buck serves, and the hospitality that goes with it.

And from where I sit, anything that adds to gracious living in America—brings folks together for temperate, quiet entertainment—is a boon to this home-loving land of ours. (We're thinking of buying a television set ourselves!)

Joe Marsh

PRELUDE TO ACCIDENT-

Injury - - - - Death!

Every violation of the center line of safety is a potential prelude to accident.

Crossing into the danger zone can occur at the approach to the top of a hill—on a curve—going into an underpass, or even on the straight highway. That's reckless, dangerous driving! Accident records show that about one half of all fatal traffic accidents result from bad driving habits such as these.

It's your responsibility to yourself, your family and to others who share the road to avoid these "Pass-Pockets" where lurk injury—and death.

Don't let impatient driving tag your conscience with being one of those who contributed to the maiming or death of the hundreds of thousands who will be auto accident victims this year.

You can be a safe driver if you will. It's up to you.

How a rapidly spinning gear can be "stopped" while in full motion is one of the many fascinating demonstrations in the General Electric "House of Magic" science show. Revolving 900 times a minute it becomes only an indistinct blur, making it impossible for engineers to study its action while operating at full speed.

'House Of Magic' To

Continued from page 1
Canipe stated, in describing its educational advantages. Practically all of the astonishing demonstrations, it was pointed out, are connected with the subjects of physics, chemistry and related sciences studied by school children today.

Among the many amazing sights at the show, spectators will see a man walking away from his shadow, the world's first sun-motor of its size and kind, and a miniature train which obeys spoken commands.

Stroboscopic light, which flashes off and on too quickly for the eye to detect the change, is used to make a disk which is whirling at the rate of 900 revolutions a minute, seem to stand still. Spinning rainbows melt and fade into each other with infinite variety when blue stroboscopic light is thrown on another disk covered with a crazy pattern in fluorescent paint.

The light of the firefly is imitated in light produced by chemicals. It is a cold light, but the cost of producing it is some 25,000,000

times that of the incandescent lamp.

"Compared to the jet-propelled plane, which will radically change our way of travel," commented Principals Wilma Lence and Clyde Canipe, "the inventions we will see at this show will shortly change our way of living. Here at first hand, we will see marvelous machines which will add further comfort to our homes, more efficiency to our businesses and, undoubtedly, extra years to our lives; The House of Magic Show deserves to be seen."

SERMON TOPIC

The First Methodist Church of Pahokee announces that the pastor, Rev. C. T. Howes, will use as sermon topics next Sunday as follows: Sunday 11:00 a. m. "Can Man Be Justified With God?"; At 7:30 p. m. the subject will be "Why Tarest Thou?"; There will be special music by the senior choir in the Morning Service and by the Youth Choir at night.

Mr. and Mrs. W. B. Green and Mrs. H. B. Thompson of Vidalia, Ga., will arrive in Pahokee this weekend for a visit with Mrs. Ora W. Powell and her mother, Mrs. M. Thompson.

Lions Hear Report On Official's Visit

At the Tuesday luncheon meeting of the Pahokee Lions Club a report on the talk by Eugene Briggs, Lions International president, at the George Washington Hotel, West Palm Beach, Friday was given by Jess M. Elliott.

President Manning I. Keen reported on Briggs' talk at Coral Gables Friday evening. Others from Pahokee who heard the inspiring words of Mr. Briggs were Mrs. M. I. Keen, Mrs. Jess M. Elliott, Mr. and Mrs. Curtis Chase, Edward A. Jensen and A. C. Santo.

The club gave its official approval of the RDB zoning plans for Palm Beach County. Curtis Chase urged Pahokee Lions to go all out in the sale of tickets for the benefit circus and variety show being sponsored by West Palm Beach Lions at Wright Field Dec. 14-15-16.

Plans Are Made To Send Protegee Gifts

Members of the Lottie Moon Circle, First Baptist WMU, at a meeting at the church Monday afternoon made plans to send Christmas gifts to Miss Dorothy Thompson, protegee of the Pahokee WMU at the Baptist Children's Home in Arcadia.

Plans were also made for week of prayer observance starting Nov. 29. It was announced that Mrs. Stella Mullis will be in charge of the special observance program on Monday. The observance will end with an all day meeting at the church Friday with a covered-dish luncheon at noon. Mrs. J. C. Mock will be in charge of the program.

Miss Elizabeth Caraway completed the presentation of the group's mission study of "Light for the Whole World." Mrs. L. M. Mullis, chairman, presided at this business.

Mock Family In Reunion In Pahokee

A reunion of the Mock family was held recently at the home of Mr. and Mrs. J. C. Mock honoring Mr. and Mrs. Kenneth Mock who are moving from Pahokee to make their home in Houston, Texas.

Others attending were Mrs. Carolyn Thompson of Orlando, Mr. and Mrs. Ed Shoepel and children of Belle Glade, Mr. and Mrs. R. L. Gay, Mrs. M. A. Gay and Mrs. G. T. Clements, all of Miami, and Mr. and Mrs. Rupert Mock and children of Pahokee.

Mr. and Mrs. Kenneth Mock left Thursday for Houston where he will be employed by the State Engineers for Flood Control.

Betty Lou, Pickett, Barbara Wroten and Margaret Powell, university students, are spending the Thanksgiving holidays with relatives here.

Since V-J Day More Than 132,500 New Telephones Added in Florida

\$55,000,000 of new facilities have been provided for more and better service

Look at the record of telephone growth in Florida—about two-thirds as many new telephones have been added in the past three years as were in service in Florida in 1945. This phenomenal progress was possible only through the all-out effort of telephone folks to meet the increasing needs of the state.

Yes, Florida's telephone service has really grown—not only in size but in value as well, for you can now call many more people and many more can call you. A total of more than 356,000 Southern Bell telephones are now serving the state. Floridians are making a monthly average of 2,142,000 long distance calls which is 55% greater than in 1945. The daily average of local calls made by our Florida customers is 2,809,000 as compared to 1,453,000 in 1945.

But that's only part of the story. A vast amount of new construction was added in order to install and serve these telephones.

Since V-J Day, 15 new buildings have been constructed and 19 buildings substantially enlarged providing more than 327,735 square feet of additional floor space. And central office equipment has been installed making possible a greater expansion of service facilities throughout the state. Nearly a thousand new long distance circuits have also been added to handle more calls more quickly.

But in spite of the growth in business, telephone earnings continue to be dangerously low. This is because the amount of money paid out to furnish you service has increased at a faster pace than the amount of money taken in.

Southern Bell's greatly increased investment in Florida is evidence of our faith in the state and its people. Future expansion and improvement of the service will require many more millions of dollars of new money. This will have to be financed, as in the past, with money furnished by investors who may be expected to provide the necessary capital, only so long as they receive a fair return on their money. That's why it's so necessary that telephone rates be sufficient to pay today's increased operating costs and provide a reasonable return to those who have invested their savings in the business.

Telephone rates in Florida are not sufficient to meet today's costs and assure the Company's ability to render good service. That is why we are now before the Florida Railroad and Public Utilities Commission seeking rates that will enable us to continue to provide you with good and dependable service.
